circlehealthgroup.co.uk/hospitals/the-park-hospital

Derby Private Health

Utttoxeter New Rd

Derby

DE22 3NE

01332 786128

derbyprivatehealth.co.uk

Referral Letters and Disclaimer Document

Referral letters are generally prepared quickly, however, please allow up to 5 working days during busy periods. We will contact you when your referral letter is ready to collect. To avoid disappointment, we advise that you book your private appointment only when you have your referral letter in hand.

Please note that we do not complete hospitals' referral proformas to facilitate a private referral and also that a fee will be payable for any insurance forms that require completing as part of a private referral process.

For all private referrals, patients must sign a disclaimer document indicating that they understand that any tests and/or medication requests from a private provider may not be honoured by NHS GPs.

More information

Detailed information on all aspects of private providers may be found on our website at ivy.gs/private-providers
